

PRECISE PERFORMANCE, HIGHEST PRODUCTION.

The full line of feeding & coil handling equipment you need today

To be successful in today's stamping operations you need every advantage from your feeding and coil handling equipment. Precise performance at the highest production levels. Dependable time-proven features and controls that come standard. And lasting service life. You also need a supplier who provides seasoned engineering expertise to design the optimum solution for your specific application. A tall order for many manufacturers, but not Rapid-Air.

For over half a century, stamping operators throughout North America have turned to Rapid-Air to maximize their profitability and drastically reduce costs. Choose from our vast selection of innovative products and space saving equipment configurations, all made in the USA, backed by local parts and service.

THE MOST RELIABLE FEEDING & COIL HANDLING EQUIPMENT MADE
